Reading Comprehension: A Trip to the Library

Read the passage. Answer each question in the box.

A Trip to the Library

On Friday, Mr. Lopez took his class to the town library. The librarian, Ms. Reed, showed the children where the picture books, science books and storybooks were kept.

Each child chose one book to borrow. Omar picked a book about space. Priya chose a story about a brave fox. Ms. Reed stamped a due date inside every book. "Please bring them back in two weeks," she said.
