Reading Comprehension: The Little Garden

Read the story. Then answer the questions in the boxes.

The Little Garden

Mina and her grandfather made a small garden behind their house. On Saturday they planted seeds in the soft, dark soil. They planted carrots, peas and bright yellow sunflowers.

Every morning Mina gave the seeds water. After two weeks, tiny green leaves came up. One day a bee landed on a sunflower. Mina smiled. "Our garden is alive!" she said.

EXAMPLE

Who helped Mina? →

Her grandfather helped her.

Where did Mina and her grandfather make the garden?

Name two things they planted.

What did Mina do every morning?

What landed on a sunflower?

How do you think Mina felt at the end? Why?
